

## Worksheet 4: Analyzing American Ideals and Repair

What does this ideal mean?

*In the United States we have the right to practice whatever religion we like, the right to peacefully assemble in groups, and to say what we think without fear of punishment.*

Give an example of this ideal in our country:

*In the United States, we can criticize our government when we don't agree with it.*

EXAMPLE

American Ideal:

**“Freedom of religion, assembly, petition, press, and speech.”**

Non-Example of this ideal in our country:

*Getting arrested for writing an article in the local newspaper going against a new law that the President and Congress just passed.*

Draw an image of it:
