High School: Leadership & Service

9 a.m. - 1:30 p.m., June 1-5

Incoming 9th-12th Graders

Develop leadership skills by engaging in leadership activities, connecting with local leaders, and exploring the Museum through guided tours. Participants will identify community challenges and develop a Call to Action Plan they can implement. Students who complete the program earn an Upstander Leadership Certificate recognizing their commitment to leadership and positive change.

Junior High: History & Research

9 a.m. - 1:30 p.m., July 27-31

Incoming 7th-8th Graders

Explore the past and learn how history is uncovered. Campers will tour the Museum, work with primary sources, and participate in hands-on lessons led by educators and partner organizations. During the week, students will research a historical topic of interest and create a model exhibit panel to present at the end of camp—bringing history to life through their own discoveries.
